# Amazing Alan - Bomb Scene

---

[clock ticking]

**Director:** To illustrate the problem of going through life without God, Amazing Alan will attempt to disarm this bomb without a manual.

**Alan:** Not to worry guys! Everyone knows you always cut the red wire.

**Director:** Ooookay Alan. Everyone behind the cement walls and action!

**Alan:** Yellow, green, blue. Uh guys? There's no red wire. What do I do?

**Director:** Whatever feels right Alan.

**Alan:** Whatever feels right!!

**Director:** Just do what's right for you Alan.

**Alan:** Well, if I would have designed this bomb I would have put in a red wire.

**Director:** That's the point Alan. We didn't design life either, that's why we need God.

**Alan:** Ah hah!! Here's a red wire. I new I could do this on my own. [snip, boom]  
Ahhhhhhhhh...

**Director:** The Bible is our owner's manual. It gives us practical instruction on how to live life.

**Alan:** Ahhhhhhhhhh...! [crash] There's got to be a better way to make these points guys.
