The Hole

Frank: Help!!! We're trapped in this hole!!!

Bob: Calm down! We're not trapped. I have everything figured out.

Frank: What do you mean!? It's fifty feet down and the walls are too slick to climb out.

Bob: Yes, but, I have books.

Frank: Books?

Bob: Yeah, on how to build elevators. See here, chapter one, dig a deep shaft.

Frank: WE'RE IN A DEEP SHAFT!

Bob: Yeah! That means we're half way finished already.

Frank: HELP!!

Bob: See now here Chapters 2, 3 and 4 are all on doors, we don't need those chapters.

Frank: Hey, there's someone up there

Bob: Wow! We're halfway through this book already.

Frank: Forget the book! There's someone up there lowering a rope.

Bob: I don't need any help; I can do this by myself. All I need is a large piston and a metal platform.

Frank: I'm grabbing the rope.

Bob: You're a wimp!

Frank: I'm not a wimp for accepting help when it's the only way out.

Bob: Yeah, yeah, yeah. Now let's see, I need 3000 gallons of oil. Well, if I dig deeper .
..

Frank: Grab the rope.

Announcer: God doesn't want you separated from Him. That's why He's reaching out to you; have you taken His hand?
