The Progress Report

[committee room sounds, gavel bangs]

Satan: Okay! Progress report. First, reference to Jesus in public schools.

Voice #1: Taken care of, sir. It's now illegal.

Satan: Good. Prayer in school.

Voice #2: Also illegal, sir.

Satan: What about teaching the Ten Commandments.

Voice #3: No problem. They can't even display them in public schools.

Satan: Creation account?

Voice #1: Evolution presently taught as fact. No need for God.

Satan: Outstanding. Any other issues?

Voice #3: What about the fact that there actually is a God?

Satan: People won't think about that.

Voice #2: But what about the fact that Jesus came from Heaven, and all the miracles he performed to prove it?

Voice #3: Or the prophecies he fulfilled.

Voice #1: Sir, there's also the problem that evolution assumes something came from nothing; how do they explain life itself?

Satan: Listen, we've eliminated any instruction or reference to God in a public setting. If we can keep people busy and distracted, they won't have time to consider God.

Announcer: The world has done its best to remove God from our thinking; has it succeeded with you?
