Salvation by Electroshock Therapy

Larry: Fred why do you have a camera on your hat?

Fred: This is the S-BEST 2000. Salvation By Electroshock Therapy. This camera sees everything you're doing; this microphone hears everything you're saying. If you do or say anything contrary to the Ten Commandments, it'll give you a shock that'll curl your toes.

Larry: So what's the point?

Fred: By wearing this hat, you will keep the ten commandments, causing your life to be so holy that God will let you into Heaven. (For \$19.95, it ought to sell like hot cakes.)

Larry: That's not going to work.

Fred: I've been working on this for 5 years [zap], ow, I mean 2 years [zap], ow, okay!! Two weeks, two weeks already.

Larry: That must hurt.

Fred: Yeah, but it kept me from lying, and I remain holy before God. [zap] Ow! Well, sort-of.

Larry: Fred, you are only changing your actions. In order to get to Heaven your heart has to be pure. And the only way to do that is to ask God to forgive you. Why bother with the S-BEST 2000?

Fred: 'Cause I am highly concerned with the salvation [zap] OW! Okay, I'm trying to make a buck here.
