Amazing Alan - Bee Scene

[buzz of bees]

Director: Amazing Alan, meadow scene, take one, are you ready Alan?

Alan: You got it guys.

Director: And action! Amazing Alan will now attempt to remove a handful of honey out of a giant Mongolian beehive to show how dangerous it is to fool with temptation.

Alan: No problem, I know how to put bees to sleep. (singing)

Director: Amazing Alan thinks he has a plan to handle this situation, just as we often feel we can handle any temptation, if we're careful. (sound of bees subsides)

Alan: Pretty good, huh guys?

Director: I guess Alan can handle this situation after all. Normally, if not dealt with properly, temptation will lead to sin, which leads to pain and separation from God.

Alan: And your arm could get stuck.

Director: Excuse me?

Alan: No problem, just a small tug... (pop, buzz, sing, ahhhhhhhhh)

Director: Once again, as Alan disappears across the meadow, he is illustrating the most effective way the Bible gives us for dealing with temptation: run.
