Amazing Alan - Piano Scene

Director: Amazing Alan, Grand Piano scene, take one.

Alan: Guys, so I stand under this grand piano that's hanging from a rope?

Director: That's right, Alan. And when you get to the part where you say, "smashing", say it with an English accent.

Alan: Oh, that's good. Okay.

Director: And action!

Alan: "Pick up your Bible and read it today, you'll find it's stirring promises and action packed history simply smash..." Hey! Wait a minute!

Director: Yes Alan?

Alan: There's a note after my line that tells the special effects coordinator to let go of the rope.

Director: Right. Say your lines, Alan.

Alan: Hold on!! I see where this is going!

Director: Alan, a lot of people think the Bible is just a book of rules and laws. We want to illustrate that it's a book with history, with plots and people that are real and moving.

Alan: Hey, you're right, the Bible is "Simply smashing!" (crash)

Director: Cut! That's a take.

Alan: There's just got to be a better way to make these points guys.
