The Bomb

Detective: All right everyone, calm down now, what kind of bomb do we have in there?

Officer: It looks like a Delta 4 design, sir, using a class 5 explosive.

Detective: Have you evacuated the area?

Officer: Ten city blocks sir.

Detective: We'd better deactivate this bomb immediately. How much time do we have?

Officer: We can't tell, the timer has no display.

Detective: What? Really?

Officer: Yes, that bomb could go off any second.

Detective: Well, yeah, that's true, but, on the same token it could take days for that bomb to go off.

Officer: Well, yeah.

Detective: I wish you would have told me that on the phone, I could have finished my dinner.

Officer: Well, I'm sorry, sir. I thought we should deal with this right away.

Detective: No, no. Let's go home, get a good night's sleep and come back tomorrow.

Officer: Sir! We don't know when the bomb will explode!

Detective: Ah, I'll deal with it later!

Announcer: Many people have this same attitude towards their own death. We don't know when we will die. Jesus spent more time warning us about Hell than He did telling us about Heaven. Do you know where you will spend eternity
