# Change Course

---

**Captain:** Calling the unknown approaching vessel, you are on a collision course with us. Please change your course 15 degrees to the south to avoid a collision.

**Radio Voice:** Recommend you change YOUR course 15 degrees to the north to avoid collision.

**Announcer:** When we are told to change course, we have a choice to make: do we change, or continue on the same path?

**Captain:** We are a naval ship, this is the captain speaking. I say again, divert YOUR course.

**Radio Voice:** No, I say again divert YOUR course.

**Announcer:** Jesus gave us a choice to make when He said, "You are from below, I am from above. If you do not believe that I am the one I claim to be, you will indeed die in your sins."

**First Mate:** Sir, w-we could change course here.

**Captain:** We have the right of way, I am not changing our course. Unknown vessel, this is an aircraft carrier, we are a large warship. Divert your course NOW!

**Radio Voice:** Uh, this is a lighthouse . . . your call.

**Announcer:** When it comes to Jesus, what choice will you make?
