Culinary Resuscitation

Woman: Help! This man needs help!

Bozo: Step aside, I'm a doctor. What seems to be the problem.

Woman: I think he's having a heart attack!

Bozo: Okay, it appears this man is still breathing, which means he still has a heart beat. I am unable to help him until he stops breathing and his heart ceases to beat.

Woman: Are you sure?

Bozo: Of course I'm sure, I'm a doctor.

Announcer: You would never trust your health to someone who merely claimed to be an expert. We require proof that they know what they are talking about.

Bozo: Is his heart still beating?

Woman: Yeah.

Bozo: Then let's give him a few more minutes

Woman: Are you sure you're a doctor?

Bozo: I was took an intensive 8-hour course on "Culinary Resuscitation".

Woman: That doesn't make you a doctor!

Bozo: Have you ever breathed the breath of life into a lifeless body?

Woman: No. Have you?

Bozo: Well, no, not yet. Give me a minute?

Announcer: Yet when it comes to spiritual matters, people listen to many self-proclaimed experts. Jesus rose from the dead to prove His authority. Who are you following? And have *they* risen from the dead?
