I Don't Want to Go to the Doctor

Son: I don't want to go to the doctor. It's not fun.

Dad: But you need to son.

Son: But, he really hurts me with needles and stuff.

Dad: Come on son, we have to go.

Son: BUT WHY???

Dad: Because the doctors need to check your CBC's to see if you have any abnormal hemoglobin or hematocrit levels, then they need to do a Cat-Scan & MRI on your head to check for any intercranial bleeding.

Son: Huh?

Dad: Okay, one more time. Your body needs red blood cells to carry oxygen from your lungs to the rest of your body.

Mom: Dear? Hold on a second. Johnny, the doctor knows what he's doing, and you have to go to see him, so he can help you feel better.

Son: Okay.

Announcer: Things happen to us that are painful. Sometimes we understand why, and sometimes only God understands why. But, whether we understand or not, in the midst of our pain, we can take comfort in the fact that God is ultimately in control, and He is good. In your time trouble, do you trust God?
