# Operation for Sparky

---

- Vet:** I'm terribly sorry, but your dog has been seriously injured. There's not a lot we can do to help her.
- Wife:** Oh, dear.
- Husband:** Are you sure there's nothing we can do?
- Vet:** There is an operation we can do. But I'm afraid it would cost several thousand dollars.
- Husband:** Well, we may be able to do something to...
- Wife:** George, we can't afford a bill that big.
- Husband:** But Sparky has been at my side for the last ten years. I just can't put her to sleep if there's something we can do.
- Wife:** I love Sparky too, but we can't afford to go this deep into debt.
- Husband:** Doctor, isn't there anything else we can do?
- Vet:** I'm sorry. I'd do it for less, but...
- Wife:** No doctor, we understand.
- Husband:** Maybe we could rent out the spare bedroom? There's got to be something we could do to save Sparky.
- Announcer:** The value of a life can be measured by what we are willing to sacrifice for it. Have you ever thought about the value of human life? Have you ever thought about your value? God has. He sacrificed His Son to save us from our sins. That makes your life valuable. Do you know this loving God?
