Drugs or Trust God

Dr.: So, you're feeling tense, and you haven't slept in weeks.

2: Yeah doctor! I think it's the stress in my life. I'm 37 years old, I still don't have a girlfriend, I'm about to lose my job, and my car is starting to make this hicog, hicog, hicog noise. I feel like my life is out of control. I don't know what to do!

Dr.: Well, there are two options. One is pills and sticking you with needles.

2: Acupuncture?

Dr.: No, just pills and sticking you with needles.

2: Will that help?

Dr.: For the problems you're dealing with? No.

2: Oh...and the other option is?

Dr.: You can trust God with your life.

2: Uh-huh. So, exactly what kind of pills are we talking about?

Dr.: I take it you don't want to trust God?

2: Yeah, I might have to give up things I like to do.

Dr.: We are talking about an all-knowing and loving God.

2: All that God stuff requires too much blind faith.

Dr.: More faith than trusting pills you receive from a complete stranger?

2: Well at least I know you have my best interests in mind.

Dr.: So does God.

2: Do the needles hurt?
